Gowrie St PS acknowledges and celebrates the diversity of backgrounds and experiences in our school community and we will not tolerate behaviours, language or practices that label, stereotype or demean others. At Gowrie St PS we value the human rights of every student and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.

Gowrie St PS will:

- Actively nurture and promote a culture where everyone is treated with respect and dignity
- ensure that students are not discriminated against (directly or indirectly) and where necessary, are reasonably accommodated to participate in their education and school activities (eg schools sports, concerts, school camps, excursions etc) on the same basis as their peers
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement and wellbeing outcomes for students
- respond to complaints and allegations appropriately and ensure that students are not victimised.

Gowrie St supports inclusion and diversity by:

- Implementing a School Wide Positive Behaviour Framework that supports inclusion and diversity;
- Actively teaching Resilience, Rights and Respectful Relations curriculum taught from Foundation to Year Six;
- Employing Family Liaison Officers to work with our families including a Koorie Family Liaison Officer;
- Actively teaching Smiling Mind that promotes respect, mindfulness and inclusion;
- Employing a Wellbeing Team, led by an Assistant Principal who support the entire school community with inclusive practices;
- Explicitly teaching Zones of Regulation that response to emotions and how they impact others including bullying and antisocial behaviours.

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Gowrie St PS . We will take appropriate measures, consistent with our *Student Wellbeing and Engagement* and *Bullying* policies to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Students that are involved in bullying or harassing others on the basis of their personal attributes will be supported to understand the impact of their behaviour through restorative conversations that will result in the student identifying actions they will take to heal the harm they have done.

Reasonable adjustments for students with disabilities

Gowrie St PS also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist students with disabilities to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners. Our school may consult through Student Support Group processes and in other less formal ways. For more information about support available for students with disabilities, and communicating with us in relation to a student's disability, please refer to our school's *Student Wellbeing and Engagement* policy or contact the principal for further information.
