PURPOSE

The purpose of this policy is to outline the values of our school community and explain the vision, mission and objectives of our school.

POLICY

Gowrie Street Primary School is committed to providing a safe, supportive and inclusive environment for all students, staff and members of our community. Our school recognises the importance of the partnership between our school and parents and carers to support student learning, engagement and wellbeing. We share a commitment to, and a responsibility for, creating an inclusive and safe school environment for our students.

The programs and teaching at Gowrie Street Primary School support and promote the principles and practice of Australian democracy, including a commitment to:

- elected government
- the rule of law
- equal rights for all before the law
- freedom of religion
- freedom of speech and association
- the values of openness and tolerance.

This policy outlines our school's vision, mission, objective, values and expectations of our school community. This policy is available on our school website and our staff induction handbook.

VISION

Gowrie Street Primary School's vision is-

"We are a community that takes strength from who we are: our cultures, our histories, our diversity. We will empower our students to seize life's opportunities and overcome its challenges".

MISSION

Our school is committed to achieving its vision, and believes it is essential that we achieve the best academic outcomes possible so that our students can take advantage of the opportunities available to them. In line with our vision, there are some key mindsets regarding how we view our school and the work we do, which are critical to us achieving success. These include that we take a strengths-based approach to both our students and our community. Instead of focusing on what is missing in our community or the gaps in our students' learning, we focus on what they can do and provide to our great school. This informs our work with our parents and families - they are our partners and are critical to the success of our students. It also ensures that we provide our students with a diverse and enriching curriculum that focuses on their strengths and interests, and that exposes them to new knowledge and opportunities.

OBJECTIVE

Our school's objectives are considered as part of the 4 yearly strategic planning process and reflected in the goals listed in our current School Strategic Plan (SSP). We also develop an Annual Implementation Plan to operationalise the goals and key improvement strategies contained in our SSP.

Gowrie Street Primary School's values are
